**RE: Fast-Track Label Amendment
Engenia herbicide (EPA Reg. No. 7969-472)**

Dear Ms. Schmid:

BASF is submitting a fast-track label amendment for Engenia herbicide (7969-UTE), responding to EPA's request that the following statement be removed from the RUP box on page one of the Engenia labeling:

"For retail sale to and use only by certified applicators."

No other changes have been made to the proposed labeling.

This is not a PRIA action.

Included with the administrative documents are the following:

- EPA Application form 8570-1
- Proposed Engenia herbicide labeling

Thank you for your assistance with this matter. If you should have any questions, please feel free to call me at (919) 547-2622.

Regards,
